## Stainless steel ash fingers for Elementar® instruments

Elemental Microanalysis introduces two new low cost, high performance products for use in Elementar® vario MACRO and vario EL cube instruments.

Product C3063, a stainless steel ash finger, length 60mm (OEM part number 11.00-1363/4) is for use in the vario EL cube.

Product C3062, a stainless steel ash finger, length 90mm (OEM part number 11.45-1005/4) is for use in the vario MACRO (both original and cube).

These products offer the same high quality and value for money that is typical of Elemental Microanalysis' entire product range.

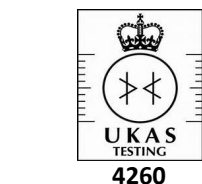

Available to order from our ISO 9001 factory online, by email, telephone or fax. Elemental Microanalysis offers extensive knowledge of analysis, 40 years of experience and a worldwide reputation for excellence.
