Inconel Crucibles for Elementar® Instruments

Elemental Microanalysis introduces a new low cost, high performance, advanced alloy product for use in Elementar® Vario Max CHN/CNS, Vario Max Cube N/CN and Vario Max N/CN instruments.

C3064

As with all our products, C3064, metal crucibles for Elementar® instruments are offered with our total satisfaction guarantee – as good as, or better than, the original part.

This crucible is compatible with Elementar® part number 03 002 278. There are 100 crucibles in the pack.

Now in stock for immediate delivery.

Part Number	Description	Pack
C3064	Metal crucibles 03 002 278	100 Pieces

Elementar® part numbers: The use of Elementar® part numbers is intended for convenience only and does not imply that the products are of Elementar® origin.

All Elemental Microanalysis products are guaranteed to be of high quality and suitable for use in the stated instrument. ®All trademarks acknowledged.
